Life Members renewal for 2025

The Club's bylaws were changed in June 2024.
These changes impact life members:

Sec 3 / Qualification for Membership:

(D) Any member-in-good-standing that has been a member for twenty (20) consecutive years leading up to reaching the minimum age of seventy (70), becomes a life-member at the next membership renewal, with all rights, and privileges, and responsibilities of a full member. Upon meeting the requirements for life-member status, annual dues will be one-half the amount of annual dues for a regular member. Any member-in-good-standing that has been a member for twenty (20) consecutive years leading up to reaching the minimum age of eighty (80), becomes a senior life-member at the next membership renewal, with all rights, privileges, and responsibilities of a full member. Upon meeting the requirements for senior life-member status, annual dues will be waived. Senior life members will be required to attend two (2) regular members' meetings annually in order to retain membership status. A life-member will receive a replacement badge to commemorate one's life member status. One's old badge number will be placed back into circulation. Upon passage, this change will go into effect beginning January 1, 2025, for annual dues of all current and future life members.

Your 2025 dues based on your years of membership and age:

Name	Member Since	Years on 1/1/25	Age on 1/1/25	2025 Dues
